TANKS			
Water:	36 gals..	Fuel:	26 gals.
<ul style="list-style-type: none"> S&S Design No. 1904. The letter "C" has been adopted on the used boat market, "classic", identifying it as the first 34 from Tartan. The second TARTAN 34, significantly different, which is also an S&S design, is commonly referred to as the TARTAN 34-2. The foot of the mainsail was shortened from the original design at least twice to improve balance and/or to lower its IOR rating. Hull 125 and later: E = 12.0'; Hull 200 and later: E = 10.5' (<i>displayed here</i>) 			

HIN: TAR343130474

2019 NJ Registration: [NJ 2036 HJ]

Title: New Jersey

Heading South with a 15-18 kt West wind – (note, no big waves)

GENERAL

- Built in 1974, hull number 313
- The interior has had significant custom teak cabinetry work and refinishing. There are no open cabinets/bays; all bays (main cabin, galley & head) are enclosed with varnished teak sliding doors.
- Exterior teak has been refinished (varnish).
- The interior cushions were replaced 2016 by Tim Paddock (Atlantic Highlands, NJ). They have extra thickness (4+”) with comfortable, medium-firm foam.
- White vinyl cockpit cushions (2005)
- All port-lights have been re-bedded (2016).
- The four-small port-lights are opening design (all with screens)
- New **Jabsco Manual Head** (2018).
- Aft quarter berth has an 18” opening port that opens into the cockpit (improves lighting & ventilation).
- Opening hatches (companionway, main cabin center, fore peak) have screens.
- Edson wheel steering cable replaced (2011).
- New drive shaft, cutlass and 3-blade prop (designed for the Atomic-4 in a T-34C) installed by Carriage House Marine - 2014).
- Engine is currently being replaced with an Atomic-4 from Moyer Marine ... (fresh-water cooled)
- Pressure fresh water for galley & head
- ‘Wind Scoop’ for v-berth hatch
- Bottom has 3 barrier coats

ELECTRONICS

- **ICOM IC-M422 VHF Radio** (2010) with a mast-head and an aft rail mounted VHF antennas.
- **Raytheon 398 GPS** (2005) ...swings into the companionway)
- New Ray Marine CV-100 Auto-Pilot ...installed by Lockwood Boat Works – (2017).
- **Depth sounder**... transducer is mounted internally in a PVC well with mineral oil ... no thru hull !

SAIL INVENTORY

- Main (1988)
- 150% RF genoa (1998)
- 155% racing genoa
- 125% high clew genoa (2005)
- 90% heavy jib (NEVER USED – still in the bag)
- Storm jib (never used – in the bag)
- Starcut spinnaker (very little use)
- (Tri-Radial spinnaker - 1998) *
- Hood multi-purpose spinnaker (????)
- 14 ft spinnaker pole

- Rigged for double genoa halyards (*internal*)
- Rigged for double spinnaker halyards (*external*)
- Heavy weather & light air genoa sheets

WINCHES

- 2 - Enkes #24 two-speed genoa-sheet winches (1996)
- 2 - Barient #20 single-speed spinnaker-sheet winches (original)
- 4 - Barient #10 mast & coach-roof winches (original)

ANCHORS

- BRUCE (25 lb)
- CQR (25 lb) with 75 ft 3/8" chain and 100 ft 1/2" nylon rode.
- 3/8" x 15' chain with 75 ft 1/2" nylon anchor rode
- 100 ft (extra) 1/2" anchor rode

BINACLE COMPASS

- *Ritchie Binnacle Mount*

SUNBRELLA WINTER COVER (3-section)

- All zippers have been replaced ... (*Suggest having Tim Paddock in Atlantic Highlands do any future work... very high-quality work at a very fair price*)!
